ABOUT: Global Business Excellence Awards 2025 @ House Of Commons, London, UK

The Global Business Excellence Awards 2025 celebrated the accomplishments of leading businesses and visionary leaders at a grand ceremony in London. Hosted by Lord Shaun Bailey, Baron Bailey of Paddington, the event brought together esteemed dignitaries, business pioneers, and industry luminaries to honour excellence across diverse sectors. Lord Bailey highlighted the critical role of UK-India collaborations in driving mutual economic growth, innovation, and global impact. Lord Loomba delivered a compelling address underscoring the deepening UK-India relationship, driven by shared values, trade, culture, and philanthropy. He noted the importance of initiatives such as the Free Trade Agreement (FTA) discussions as key to enabling dynamic bilateral growth. His remarks emphasized how such partnerships open new avenues for technology exchange, investment, education, and talent development.

The other eminent guests present at the ceremony included Carol Tripp JP, a distinguished professional with a remarkable career spanning hospitality, law, and the judiciary and Terry Marsh, a distinguished leader with a dynamic career spanning academia, media (BBC), and international consultancy. The Global Business Excellence Awards 2025 were sponsored by B.P Marine Academy and organized by WBR Corp. Brands Connect, PICSLUX, Wed Wise Asia and WBR Events LLP were the partners for this prestigious event.

WBR Corp UK Limited (WBR Corp ©) is a leading advisory and consulting firm headquartered in London, UK. WBR Corp provides expert guidance and solutions to individuals and businesses. Our team of highly experienced and knowledgeable professionals has a deep understanding of the industry and a proven track record of success.

WBR CORP UK LIMITED: PIONEERS IN BUSINESS EXCELLENCE AND BRAND INNOVATION

In the ever-evolving global business landscape, where innovation and excellence are crucial for success, WBR Corp UK Limited stands tall as a leader in providing comprehensive brand management, consulting, and business solutions. With a strong presence in the United Kingdom and a growing influence internationally, the company has become synonymous with empowering brands, building market reputations, and guiding businesses toward sustainable growth.

Founded on the principles of integrity and innovation, WBR Corp UK Limited is driven by a singular mission: to help businesses thrive in a highly competitive world. The company's diverse portfolio covers sectors ranging from real estate and technology to education, healthcare, and lifestyle, ensuring its clientele has the tools to lead in their respective industries.

WBR Corp UK Limited has built a reputation for its ability to offer customized, cutting-edge solutions that meet the unique needs of each client. By focusing on brand positioning, public relations, and strategic communication, the company helps businesses establish a powerful market presence and navigate the complexities of a globalized economy.

At the heart of WBR Corp's success lies its ability to enhance brand value through various strategies such as Brand Audits, Marketing Strategy Consulting, and Public Relations services. The firm's extensive experience in developing effective communication strategies ensures that clients are

not only able to reach their target audience but also connect with them on a deeper level. From crafting compelling brand narratives to implementing powerful PR campaigns, WBR Corp UK Limited ensures that its clients' voices are heard across all the right channels.

WBR Corp's extensive expertise is exemplified by the many brands that have soared under its guidance. By using innovative research, market analysis, and strategic recommendations, the company helps clients improve their brand visibility and strengthen their overall market positioning.

One of WBR Corp's hallmark achievements is its prestigious Awards and Recognition programs, which spotlight excellence in business, entrepreneurship, and corporate leadership. These awards recognize top-performing businesses and individuals, enhancing their credibility and prestige in their respective sectors.

WBR Corp has played an instrumental role in organizing and curating some of the most notable award ceremonies globally. These include the Asia Education Summit & Awards, International Healthcare Awards, and the Global Real Estate Awards—platforms that celebrate remarkable achievements and provide an opportunity for businesses to gain international recognition. By acknowledging innovation and leadership, WBR Corp aims to inspire other businesses to raise their standards and strive for excellence.

BN GROUP

The Legacy of Leadership

BN Group, a prominent Indian conglomerate with interests in FMCG, edible oils, and specialty chemicals, has been awarded the prestigious Global Business Excellence Award for being the “Fastest Growing Edible Oil Manufacturer of the Year.” The accolade was presented at a high-profile ceremony held at the iconic House of Commons in London, UK. This international recognition underscores BN Group’s exceptional

growth trajectory, unwavering commitment to quality, and continuous innovation in the edible oil and FMCG sectors.

Founded in 2011, BN Group has quickly risen through the ranks to become a trusted name in the edible oil industry. Known for its focus on indigenous production and high-quality standards, the company supplies premium vegetable cooking oils to both households and institutional clients.

vision of self-reliance, aligned with India's national goals of Atmanirbharta (self-sufficiency) and sustainable development. BN Group continues to play a significant role in nation-building by creating value-driven products that cater to modern consumers' health and nutrition needs.

At the core of BN Group's operations lies its advanced manufacturing facility located at Kandla Port in Gujarat. This state-of-the-art plant is equipped with cutting-edge technology and adheres to rigorous quality control protocols. It supports the production of healthy, flavorful, and innovative edible oil products that meet both domestic and international standards. Flagship brands like Simply Fresh and Healthy Value have already made a strong impact in the B2B segment, serving institutions and bulk buyers. Moving forward, the Group is expanding its retail footprint with its consumer-facing blended oil brand, Nutrica, aimed at bringing healthier options to Indian kitchens.

The company's remarkable journey is a reflection of its visionary leadership under

Mr. Anubhav Agarwal, Founder and Managing Director. Mr. Agarwal has been instrumental in shaping the Group's mission and values, driving growth through innovation, and maintaining a sharp focus on quality and consumer satisfaction. His vision is embedded in the very name of the organization — BN, which stands for "Building Nation." This philosophy guides every aspect of the Group's operations, from sourcing raw materials responsibly to ensuring the highest product standards.

Reacting to the global recognition, Mr. Anubhav Agarwal said, "This recognition is truly humbling. What began as a small step with the dream of bringing purity and trust to Indian kitchens has now reached a global platform. This award is not just ours — it belongs to every team member, partner, and customer who believed in us. It reminds us to keep growing with purpose, stay rooted in our values, and continue representing India with pride and integrity." Currently, BN Group enjoys a strong presence across Uttar Pradesh, Uttarakhand, Gujarat, and parts of Northern India. With ambitious expansion plans, the Group is set to strengthen its distribution network across Rajasthan, Maharashtra, Punjab, Haryana, Himachal Pradesh, and the National Capital Region.

I-CONIC SOLUTION

The Power Behind Smart Solutions

I-Conic Solutions is redefining revenue cycle management (RCM) in the healthcare sector by offering smart, scalable, and efficient solutions that empower providers to optimize their financial performance. As a premier RCM service provider, I-Conic Solutions specializes in comprehensive medical billing and coding services, serving hospitals, imaging centers, physician groups, and healthcare facilities across the United States.

With a clear focus on accuracy, compliance, and operational efficiency, I-Conic Solutions

delivers end-to-end RCM services that address the unique financial and administrative needs of healthcare organizations. From patient registration and insurance verification to claims submission, denial management, and payment reconciliation, the company handles every stage of the revenue cycle with precision and professionalism. By managing these critical functions seamlessly, I-Conic enables providers to concentrate on delivering quality patient care while ensuring a steady and optimized revenue stream.

What sets I-Conic Solutions apart is its use of advanced technology and data-driven processes. Through the integration of automation, analytics, and AI-driven tools, the company enhances reimbursement rates, minimizes claim denials, and significantly reduces days in accounts receivable (A/R). These innovations not only improve cash flow but also bring visibility and transparency to financial operations, empowering healthcare organizations to make informed decisions and improve their overall fiscal health.

Compliance remains a cornerstone of I-Conic Solutions' operations. With strict adherence to HIPAA regulations and payer-specific guidelines, the company ensures the highest standards of data security, confidentiality, and regulatory compliance. This commitment helps clients mitigate risks and maintain trust in a highly sensitive and regulated environment.

At the heart of I-Conic's success is a team of experienced industry professionals who bring deep domain expertise and a strong understanding of healthcare billing

complexities. The company's partnership-driven approach emphasizes collaboration, customization, and responsiveness. Rather than offering one-size-fits-all solutions, I-Conic works closely with each client to understand their challenges, goals, and operational nuances. This collaborative model results in personalized strategies that drive sustainable improvements and long-term success. I-Conic Solutions is particularly known for its expertise in resolving complicated billing issues, managing credit balance remediation, and streamlining workflows. These capabilities make it a trusted partner for providers seeking reliable and results-oriented RCM support. The company's agile and responsive service model ensures that clients receive timely support, insights, and solutions to improve their financial health.

As the healthcare industry continues to evolve, I-Conic Solutions remains at the forefront of innovation and excellence. With a growing team of professionals and a culture rooted in integrity, performance, and client satisfaction, the company is setting new benchmarks in healthcare revenue cycle management.

DREAMS DEBT SOLUTION

Your Path to Stability

In a proud moment for Indian entrepreneurship, Mr. Rakesh Singh, Managing Director of Dreams Debt Solution Private Limited, was recently awarded the prestigious Business Leader of the Year (Recovery and Debt Collection) honor at the Global Business Excellence Awards. The ceremony, held at the historic House of Commons in London, United Kingdom, recognized Mr. Singh's exceptional contributions to the financial services sector and his inspiring journey as a

visionary entrepreneur.

With over two decades of experience in credit management and debt resolution, Mr. Singh has established himself as a prominent figure in the financial services landscape. His path, however, began humbly in 2005, when he entered the industry as a credit card field executive.

Fueled by ambition, resilience, and a deep desire to make a difference, he laid the foundation of Dreams Enterprises in 2011. Building on that momentum, he launched Dreams Debt Solution Private Limited in 2017 — a company that has since become a trusted name in ethical debt recovery and customer-first financial services.

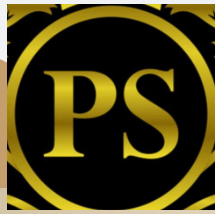

Mr. Singh's story is one of grit, perseverance, and vision. Coming from a modest, middle-class background, he has experienced firsthand the challenges many individuals face in navigating debt. This personal and professional insight has shaped his unique approach to debt resolution — one that balances efficiency with empathy. His ability to blend compassion with compliance has set Dreams Debt Solution apart in an industry often marred by aggressive recovery tactics.

Under Mr. Singh's leadership, the company has grown steadily and built a reputation for operational excellence, transparency, and ethical practices. By focusing on personalized, humane solutions, Dreams Debt Solution has

helped thousands of individuals regain financial stability while supporting banks and institutions in effective credit recovery. The firm's innovative processes and commitment to client satisfaction continue to redefine benchmarks in the debt collection industry.

Receiving the award at such a prestigious international forum not only honors Mr. Singh's professional accomplishments but also shines a spotlight on the strength of Indian enterprises in the global financial services space. It serves as a testament to how integrity-driven leadership and relentless hard work can lead to global recognition.

Addressing the audience at the awards ceremony, Mr. Singh shared, "This recognition is not just a personal milestone — it is a celebration of the entire team at Dreams Debt Solution. Our mission has always been to create real, positive change for those facing financial distress. This award motivates us to push further, innovate faster, and keep compassion at the heart of everything we do."

P S AGRO FOODS

Rooted in Values, Growing with Vision

In a rapidly evolving agricultural landscape, P S Agro Foods, based in Visakhapatnam, Andhra Pradesh, stands as a shining example of innovation, quality, and grassroots empowerment. Under the dynamic leadership of Srinivaasu Pasupuleti, the company has grown from a regional agribusiness initiative into a trusted name in the Indian agro-food sector.

Founded with a vision to connect farmers directly to markets and enhance the value

of agricultural produce, P S Agro Foods has become synonymous with integrity, quality assurance, and sustainability. The company primarily engages in the procurement, processing, and distribution of a wide range of agro products, including grains, pulses, spices, oil seeds, and more. With a commitment to preserving the natural goodness of farm produce, the enterprise follows stringent quality standards and eco-conscious practices throughout its supply chain.

At the heart of P S Agro Foods is its proprietor, Srinivaasu Pasupuleti—a passionate entrepreneur with deep roots in agriculture and a relentless drive to transform the way food is sourced and delivered. Srinivaasu's journey is a remarkable blend of traditional knowledge and modern entrepreneurship. Coming from a farming background himself, he understood early on the pain points faced by Indian farmers—unpredictable pricing, lack of storage facilities, and limited access to buyers. With this understanding, he envisioned a platform that could bridge the gap between rural producers and urban consumers through fair trade and efficient logistics.

Through his leadership, P S Agro Foods has built a reputation for reliability and transparency. The company sources directly from farmers and producer groups, thereby eliminating middlemen and ensuring fair prices for growers. Srinivaasu's model not only supports farmers' livelihoods but also ensures that customers receive fresh, authentic, and chemical-free food products.

Technology plays a vital role in the company's operations. From smart inventory systems to real-time tracking of consignments, P S Agro Foods ensures seamless distribution and delivery across Andhra Pradesh and neighboring states. The company is also exploring digital marketplaces to expand its footprint and reach new customer bases, both domestically and internationally.

P S Agro Foods is not just a business—it's a mission to empower rural communities, promote food integrity, and contribute to the agricultural economy. Srinivaasu Pasupuleti's entrepreneurial journey is a powerful story of resilience, innovation, and community upliftment. His dedication to ethical business practices and sustainable agriculture is setting a benchmark in the Indian agribusiness space.

Looking ahead, Srinivaasu aims to scale the company's operations, tap into export markets, and continue creating meaningful opportunities for farmers. With P S Agro Foods, he is not only building a brand but nurturing a movement—where every grain tells a story of trust, tradition, and transformation.

RVM CONSTRUCTION

Elevating Standards, Engineering Success

In a momentous recognition of innovation and impact, RVM Constructions India Private Limited has been honored with the “Construction Innovator of the Year” award at the prestigious Global Business Excellence Awards, hosted at the historic House of Commons in London, United Kingdom. The award acknowledges RVM’s remarkable contributions to the infrastructure sector through groundbreaking engineering, sustainable practices, and transformative urban development projects.

RVM Constructions has firmly established itself as a trailblazer in India’s infrastructure ecosystem. With a reputation for precision, performance, and professionalism, the company has played a pivotal role in reshaping the country’s built environment. Its diverse portfolio spans roads, highways, bridges, industrial facilities, and urban water management systems, all designed to improve connectivity

and quality of life for communities across the nation.

At the heart of RVM’s operational philosophy lies frugal engineering—a principle that emphasizes optimal resource utilization without compromising on quality or performance. This cost-efficient yet impactful approach has allowed the company to deliver large-scale projects on time and within budget, all while maintaining the highest standards of construction excellence.

What truly sets RVM apart is its unwavering commitment to innovation and sustainability. The company integrates cutting-edge technology and automation throughout its project lifecycle, ensuring streamlined execution and adherence to international safety and quality benchmarks.

Sustainability is more than just a buzzword at RVM Constructions—it's a core pillar of their long-term vision. The firm actively incorporates eco-friendly building techniques, responsibly sourced materials, and advanced waste reduction systems to minimize environmental impact. Its green engineering practices align with global sustainability goals and set an inspiring example for the industry.

Collaboration remains a key driver of RVM's success. The company works closely with government bodies, private sector enterprises, and global stakeholders to deliver infrastructure solutions that meet evolving urban needs. Whether contributing to Smart City initiatives or executing complex industrial projects, RVM demonstrates the ability to seamlessly blend innovation with implementation.

The "Construction Innovator of the Year" award stands as a global endorsement of

RVM's mission to lead the future of infrastructure through intelligent design, sustainability, and strategic planning. It also reflects the company's broader ambition: to create smart, inclusive, and resilient infrastructure that supports economic growth while enhancing the social and environmental fabric of the regions it serves.

Accepting the award, RVM leadership reiterated their commitment to pushing boundaries: "This recognition inspires us to keep driving progress with purpose. At RVM, every project is an opportunity to engineer positive change—for people, for the planet, and for future generations."

As India and the world look toward next-generation infrastructure solutions, RVM Constructions stands at the forefront, building smarter cities, greener systems, and stronger communities—laying down not just roads and bridges, but the very foundation of a more sustainable and connected tomorrow.
